TERMS AND CONDITIONS

ONE TO ONE PRIVATE LESSONS

Fees for private lessons are as follows:

- 400 \$ per 4 sessions
- 150 \$ per individual session

Lessons last for 1h 20 minutes. Fees also include material, handouts and feedback for the assignments that will be discussed in the following lesson. There will be a composition assignment every week plus readings and analysis.

The first session is free and lasts 30 min. In this session I will explain the Plan of Studies designed for the student, which could be adjusted in that session or in the future depending on the student needs. Specific bibliography will be recommended.

By booking a private lesson you agree to the following terms and conditions:

1. Fees for monthly (4 session) bookings need to be paid monthly via Bank Transfer or Paypal **in advance** of the first lesson of that calendar month
2. Fees for individual lessons are to be paid via Paypal **prior to the lesson**. Bookings for individual sessions need to be made and paid at least 48 hours in advance of the lesson.
3. Lessons booked on a per-session basis do not reserve the time slot, which must be re- booked each week with at least 48 hours' notice. Slots for individual sessions are allocated on a first come first served basis.
4. Monthly payment secures a specific time slot each week.
5. Cancellations must give at least 24 hours' notice. Failure to provide sufficient notice or failure to attend will result in the lesson fee still being applicable in full. If the student needs to reschedule for any reason, an email must be sent to the

professor as soon as possible in order to find another slot that week.

6. Students who arrive late will only receive a lesson for the remainder of their allocated time slot.
7. I expect a high level of behavior during lessons. I reserve the right to refuse lessons to any individual.
8. Payment methods:
 - Bank transfer

FINANCIAL AID

I understand that everyone's situation is different. Because I am aware of the difficult times and I understand that everyone's situation is different, Financial Aid would be considered for students under special hard situations.
